*We gratefully acknowledge that we operate on the traditional lands of the Tongva, Tataviam, and Chumash peoples—including the Gabrieleño, Fernandeño, and Ventureño; members of the Takic and Chumashan language families; and other Indigenous peoples who made their homes in and around the area we now call Los Angeles. We honor their ancestors past, present, and future, and recognize their continued existence and contributions to our society.*

## CARL CHENG WITH DANIELLE DEAN

Carl Cheng's interdisciplinary practice is driven by a longstanding interest in technology, the environment, and public spaces. Danielle Dean's work explores the geopolitical and material processes that colonize the mind and body. In celebration of the opening of *Carl Cheng: Material Behavior*, Cheng and Dean will discuss their differing art practices and interests in landscape, industry, and the Anthropocene. The conversation will be moderated by exhibition curator Emily Gonzalez-Jarrett.

*The program includes a public reception in the gallery between 5 PM - 7 PM and an audience Q&A following the conversation.*
