

"Every child is an artist.
The problem is how to remain an artist once he grows up."

Pablo Picasso

It's been an enormous pleasure and privilege to be involved with all these talented and insightful students who have given life to our program this year. Thank you for your hard work and your good vibes, and many thanks as well to the dedicated parents who have often braved cold weather, bad traffic and long waits to bring your kids here. Our planet stands at an important crossroads in human history, and it is both comforting and inspiring to me that we all continue to gather here in order to share and cultivate our imagination, our hearts and our minds through Music. Thanks, of course, to the hard working staff at PLAZA and CAP and to the patient and persevering teachers for making this adventure even possible! I'd like to give a very special thanks to the REDCAT staff as well.
