LOS ANGELES, CA—REDCAT, CalArts' downtown center for contemporary arts, presents the Los Angeles premiere of *Ultimedia Theremin*, an evening of avant-garde sights and sounds by world-renowned theremin virtuoso, innovative multi-instrumentalist, and composer Eric Ross in collaboration with video artist Mary Ross. *Ultimedia Theremin* will be presented at

the Roy and Edna Disney/CalArts Theater on Friday, November 2 at 8:30 pm.

On November 2nd, the husband and wife pair offer a fresh and engrossing concert experience—by turns hypnotic, lyrical, even fiery. In addition to his masterful caress of the theremin, Eric writes lively music that is unquestionably futuristic but also accessible, mixing elements of classical, serial, jazz, electronic and avant-garde. Mary's video projections, meanwhile, are conceived, arranged, and edited to her counterpart's music. The centerpiece of the Rosses' hourlong program is their most recent opus, *Boulevard d'Ronstructie* (Op. 54).

## ABOUT REDCAT | THE ROY AND EDNA DISNEY/CALARTS THEATER

REDCAT, CalArts' downtown center for contemporary arts, presents a dynamic and international mix of innovative visual, performing and media arts year round. Located inside the iconic Walt Disney Concert Hall complex in downtown Los Angeles, REDCAT houses a modular theater, a 3,000-square-foot gallery space and a lounge. Through performances, exhibitions, screenings, and

literary events, REDCAT introduces diverse audiences, students and artists to the most influential developments in the arts from around the world, and gives artists in this region the creative support they need to achieve national and international stature. REDCAT continues the tradition of the California Institute of the Arts, its parent organization, by encouraging experimentation, discovery and lively civic discourse.
